

TRANSPORT WORKERS TAX SERVICE, LLC

“Count Me In”

Thank you for your interest in Transport Workers Tax Service. Our client relationships are based upon our excellent reputation for superior personal service and attention to detail along with our genuine interest in providing valuable accounting and tax services at a reasonable cost.

As you can imagine, we have been inundated with inquires due to the ruling against Martin Kapp. In order to adequately staff for the 2007 tax year, we are asking that mariners who are interested in using our services complete the attached personal information page. New customers will be accepted on a first come first serve basis. The sooner you reserve your spot the better. We do not want to compromise service levels for our existing customers. This pre-registration will help ensure that. Forms can be faxed or emailed to –
